Faith in Action has been awarded our allotment of 2026 tax credits, and they're ready to go!

What do tax credits mean?

If you live in West Virginia, you are eligible to receive WV tax credits for your donation. The WV Neighborhood Investment Program Tax Credits are ½ of the total donation and are available to those who donate a minimum of $500.

What are the limitations of the credits?

There are three primary limitations on the use of the tax credits:

- The amount of credit allowable must be taken within a five-year period, beginning with the tax year in which the donation is made.
- A donor may receive no more than $100,000 annually in NIP tax credits.
- A donor cannot use NIP tax credit to reduce total state tax liability by more than 50 percent annually.

If a donor makes contributions over several years, can the credits overlap?

Yes, but the limitations described still apply.

Contact *Faith in Action* today to take advantage of the NIP Tax Credits for 2026.
